INTERESTS

ABOUT ME

I am a detail-oriented software engineer, with a curious mindset, a strong sense of teamwork and a friendly personality.
I have experience testing web and mobile applications and enjoy coding front-end projects in my spare time.

WORK EXPERIENCE

Vimcar
Berlin | Germany

QA Automation Engineer | Sep 2023 – Jun 2024
Provided automation testing frameworks for web and mobile applications. Collaborated closely with the development teams to analyse and design a test strategy.

QA Automation Tester | Sep 2021 – Aug 2023
Created, executed and maintained manual test plans for web and mobile applications in the fleet management industry.
Created and maintained selected automated E2E test cases.

QA Automation Tester (freelancer) | Apr 2021 – Aug 2021
Created, executed and maintained manual test plans for web applications in the fleet management industry.

SOVOS
Tucumán | Argentina

Quality Assurance Engineer II | Nov 2019 – Mar 2021
Designed, created and executed manual test plans for a web application in the tax regulation industry.
Created and maintained automated tests on various platforms. Provided on-call support during production releases and onboarding process for new hires.

Quality Assurance Engineer | Jul 2016 – Apr 2018
Created, executed and maintained manual test cases, bug reports and regression testing plans for a desktop and a web application in the tax regulation industry.

EDUCATION

Computer Engineer

National University of Tucumán - 2015

Recognised by the German Central Office for Foreign Education (ZAB) with the following evaluation:
"The foreign degree corresponds to a German university degree. In terms of level, it is to be classified between the Bachelor's and Master's levels."
